

Sudoku

		9					8	
	4	3		8				7
				6	4			5
3		8				2		
	7		8		5		6	
		2				7		8
2			4	9				
4				1		5	7	
	1					3		

Complete the grid so that each row, column and 3x3 square contains the numbers 1 to 9 once and only once.

Killer Sudoku

22		10	14		12		13	
			20		18			9
7	13						7	
		27		15				15
12			16			7		
11	20			16			10	
			15		10			15
17		6					20	
			15		13			

Normal rules of sudoku apply – the numbers 1 to 9 must appear in each row, each column and each 3 x 3 grid once and only once. As well as this the numbers in the dashed 'cages' must add up to the number in the top left hand corner and no number can be repeated in any one cage.

Email your answers to any and all of the puzzles to Mr Chadburn

(w.chadburn@allsaintslearning.co.uk) and you could win some house points.

You can scan or take a picture of the completed sudoku or killer sudoku puzzle and attach it to an email if you want to – correct solutions will also win house points.
